77013 Brown 3ks = C3

74065 Khaki 3ks =C4

The colors alternate in the exact sequence as stated in the legend. You can cut and connect the new color after each row – I chose to pull the thread on the back – see below – without sewing the ends.

If you are using wool without alternating 4 different threads/yarns, continue crocheting the pattern smoothly without following the color change.

Then we finish the work, tidy up the threads. This is where the basic pattern for the Belle Blanket ends.

LARGER VERSION OF THE BELLE BLANKET

If you want to make a larger blanket, after row 40 do not continue with the EDGE PART, but continue – 1x repetition of the pattern from rows 17-24 – Scheme 3 (of course, the number of Shell repetitions will increase to a total of 29x). Next, you can add 1x more time patter of rows 25-32 – Scheme 4 (Shell in total 35x) and 1x repetition of rows 33-40 – Scheme 5 (Shell in total 40x). Then finish with the EDGE PART.

Always after the entire part of crocheting rows /17-24 – or. 25-32 – or. 33-40/ you can finish the work at any time with the EDGE PART with rows 41-42. Do not forget that this part follows after crocheting the entire part of the pattern from individual schemes 3-5.

This way can make a larger version of the original version of the Belle Blanket, or if use a different material (thinner) than recommended, achieve at least the minimum size according to the original.

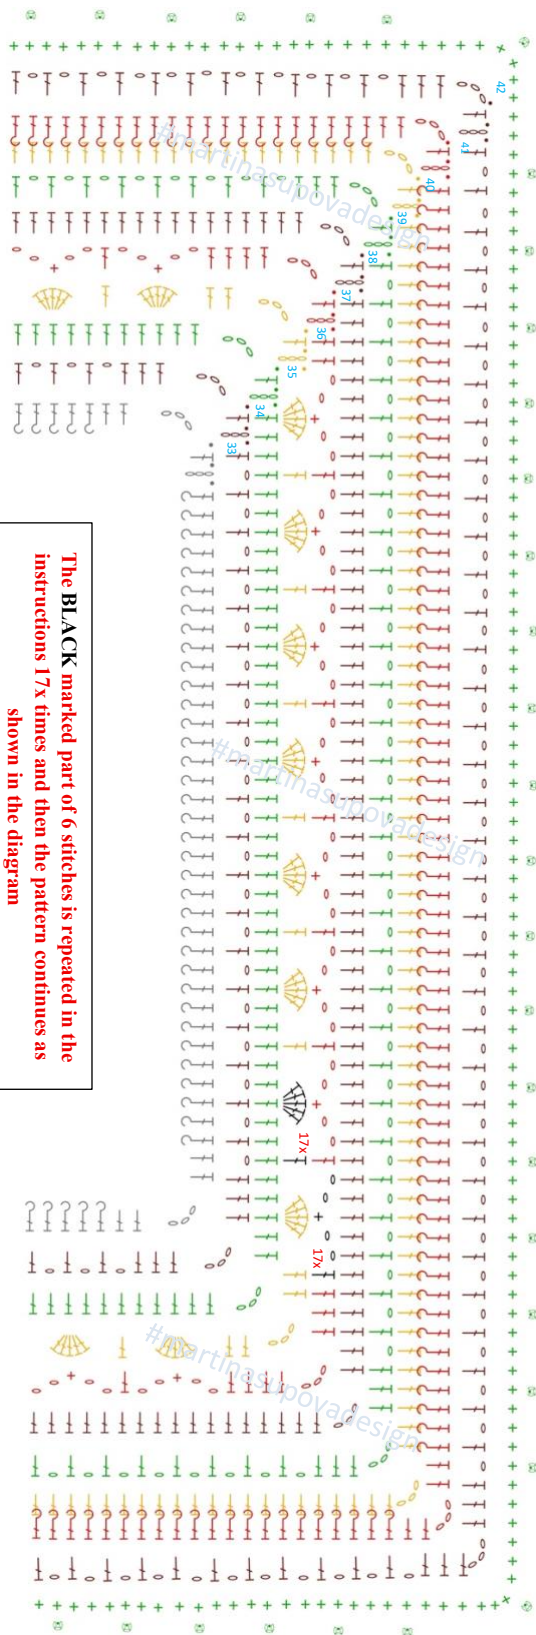

End of the fifth - last part and it's done ☺ Thank you for being able to create together ☺

I believe that the new BELLE blanket will make your home cozier☺
