Then it's done, clean the threads. After washing the scarf, I recommend blocking it so that the edge pattern stands out and you can wear it ☺

If you want to make a larger scarf, continue after row 56 – 1x repeating rows 33-40 (of course, the number of repetitions of the Shell will increase to a total of 40x) – or 1x also rows 41-48 (45x Shell in total) – so add a total of 8 or 16 rows. And only then continue with the pattern from rows 57-58.

End of the fifth - final part and it's done ☺ Thank you for allowing us to create together ☺

Diagram part 5 - right front side (left side is the same/mirror)

The red marked part of 6 stitches is repeated in the instructions 32x times and then the pattern continues as shown in the diagram

In the remaining rows, crochet the pattern continuously across the entire side (also in the unmarked (32x6 stitches) as shown in the diagram
