Start each square with a magic ring

Make 117 squares according to pattern with a 4mm hook. Every square has 3 rows of coloured yarn and 1 row of DCs with white yarn (see row 4 in pattern)

9 x 13 squares

Start in the right corner and add squares -
1 yellow, 2 orange, 3 pink, 4 lavender, 5 blue, 6 turquoise, 7 mint, 8 yellow, 9 orange, 9 pink, 9 lavender, 9 blue, 9 turquoise, 8 mint, 7 yellow, 6 orange, 5 pink, 4 lavender, 3 blue, 2 turquoise, 1 mint

Connecting squares-
1. sew together from wrong side
2. crochet together from wrong side with single crochet through front loops

After connecting all squares make a border with DCs, in the corner make (2DC, CH2, 2DC), that will make the corner space smaller.

Thank you for your favour and I wish you good luck making your blanket :)
